Dear Neighbour

Works have taken place over the past month in all areas of the site, including in the basement and on the roof. Development work on the roof and the external brickwork are nearing completion, with all glazing works due to be completed in the next few weeks.

As many residents are already aware, emergency works took place on Saturday 2 February 2019, due to water ingress into the hotel building along Berwick Street. These works were given consent by Westminster City Council and have now been fully addressed. We apologise for any inconvenience caused during this period.

If you have any queries on any aspect of the project, please continue to use info@berwickst.co.uk or 0800 772 0475.

With best wishes
