Dear Neighbour

Works have taken place over the past month in all areas, this includes in the basement and on the roof. The parapet works are continuing and both external and internal staircase works are nearing completion. Internally, the hotel bedrooms fit-out is also nearing completion.

The site will be closed from the end of the working hours on Saturday 22 December 2018 until Wednesday 2 January 2019 for the festive period.

We would like to assure residents that there will be a water management team and security presence on-site throughout the festive period. Daily checks will continue to take place as normal during this time.

On Saturday 22 December, temporary works will take place internally to relocate the temporary on-site toilet facilities.

During the Christmas period the Emergency contact for the site team are as follows:

Lloyd Cleife, Interserve Construction – 07463 706659
Tomas Purvinis, Interserve Construction – 07828 628194

This will be our last newsletter ahead of the Christmas break and therefore we would like to wish all our neighbours a very merry Christmas and a happy New Year!

If you have any queries on any aspect of the project, please continue to use info@berwickst.co.uk or 0800 772 0475.

With festive wishes

Interserve Construction
